

REMARKS

A Notice of Allowance was received on November 30, 2004.

This Amendment is responsive to the Office communication dated December 27, 2004 providing a NOTICE OF DRAWING INCONSISTENCY WITH SPECIFICATION.

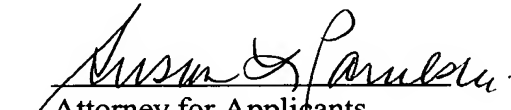

The Specification has been amended to list Figure 1C, and to correctly identify Figures 3a and 3b. No new matter is added by this amendment to the Specification. Entry of this amendment will not require any searching or consideration of new issues, and will not require reopening prosecution. Rather, the amendment is made solely to correct a clerical matter.

No amendments have been made to the claims.

The application is believed to be in condition for allowance.

The Commissioner is hereby authorized to charge any fees in connection with this communication to Eastman Kodak Company Deposit Account No. 05-0225.

Respectfully submitted,
